

APRIL 29 | 6:00 - 7:30 PM | ZOOM

COMMUNITY MEETING:

Pasadena Community Air Monitoring Network

Join us as we unveil Pasadena's new community air monitoring network program. Learn about the publicly available air monitoring dashboard and find out how you can get more involved in this community-led project.

We will also have guest speakers join us to talk more about the health impacts of air pollution, the air monitors being employed as part of the new network, and the County's efforts to increase air monitoring and accountability.
