Community Air Pollution Mapping

Session: Near Northside

July 20, 2021
6:00pm - 7:30pm

Scan the QR Code OR visit tinyurl.com/FollowUp-Northside to receive the Zoom link in your inbox.

In May of this year, we at Air Alliance Houston hosted a session for the Community Air Monitoring Program where you identified areas of concern to obtain concrete data on pollution levels in your community. Now, we will review the areas noted and plan what types and where to place air monitors to be most effective.

For any questions, please contact Juan Flores at juan@airalliancehouston.org or 713.553.6351

Everyone has a right to breathe clean air.
