Finding Facility Permits

How to use the TCEQ Commissioners' Integrated Database
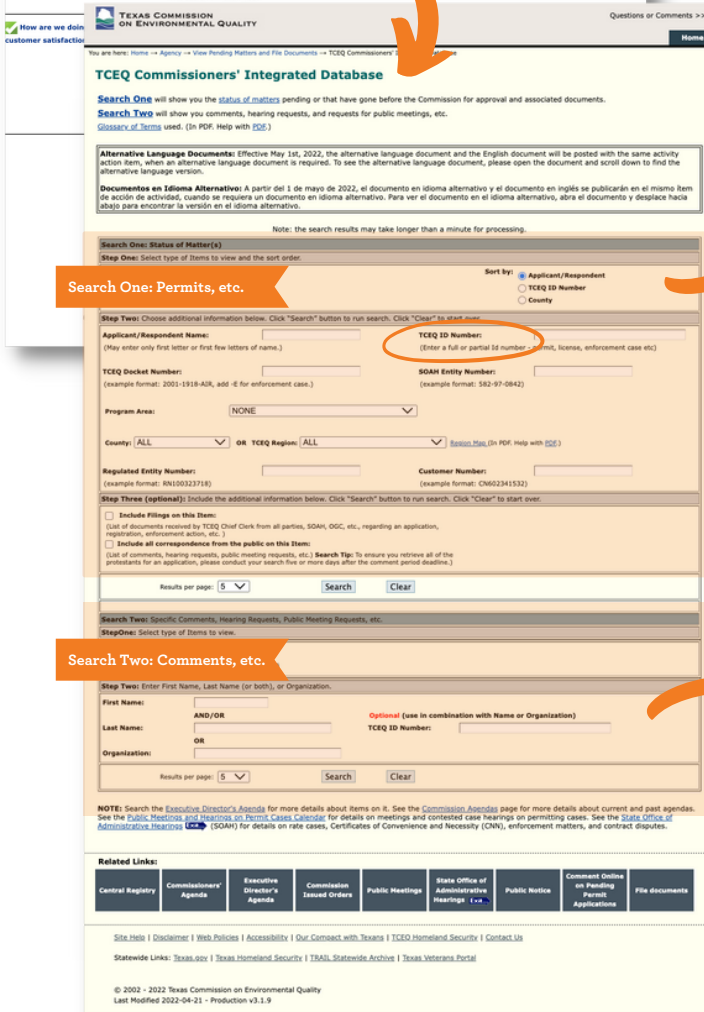

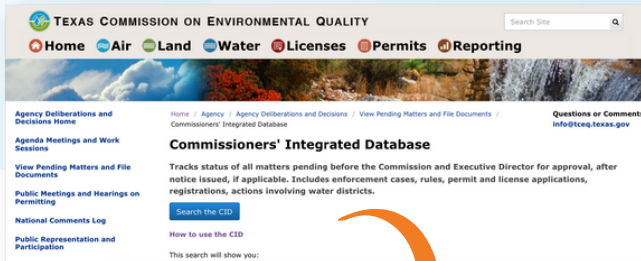

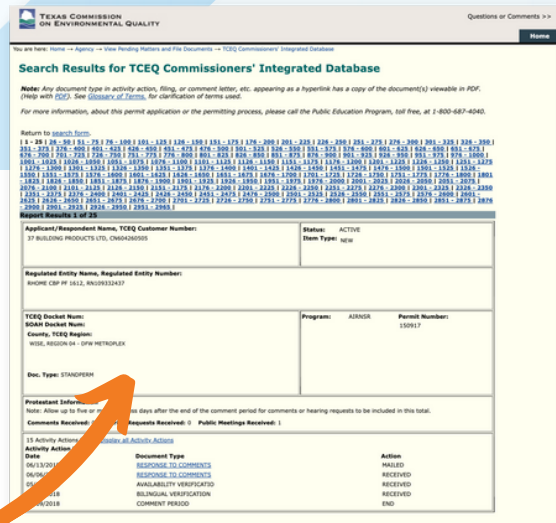

1. Click "Search the CID"
2. TCEQ Commissioner's Integrated Database
   a. Search One: For permits, status of matters pending or that have gone before the Commission for approval and associated documents.
      i. If you know the permit number, you can enter it in the circled region above.
   b. Search Two: For comments, hearing requests, and requests for public meetings, etc.

Air Alliance Houston can support you if you need help searching for permits in your community or neighborhood.
