The screenshot shows the TCEQ website homepage. At the top, there's a navigation bar with links for 'About Us', 'Contact Us', 'Calendar', 'Jobs', 'En Español', 'Org Chart', and 'A to Z Index'. Below this is a search bar and a row of icons for 'Air', 'Land', 'Water', 'Licenses', 'Permits', and 'Reporting'. A large banner image of a river is featured. To the right, there's a 'News' section with two tweets from @TCEQ. Below the news is a 'TCEQ News Releases' section with three items. The main content area is divided into two columns. The left column has sections for 'Rules, Data, Forms and Reporting', 'Licenses and Permits', and 'Online Services'. The right column has sections for 'Commissioner's Corner', 'Search Central Registry', and 'Get Involved / Customer Services'. At the bottom, there's a footer with links for 'Home', 'About Us', 'Online Services', 'Environmental Emergencies', 'For TCEQ Employees', 'Connect With Us', 'Programs', and 'Documents'. A yellow callout box points to the 'Air' icon in the top navigation bar. Another yellow callout box points to the 'Public Notices' link in the 'Rules, Data, Forms and Reporting' section. A third yellow callout box points to the 'eComments' link in the 'Online Services' section. A fourth yellow callout box points to the 'Sign up for email + text notifications' link in the 'Get Involved / Customer Services' section. A fifth yellow callout box points to the 'Air' icon in the top navigation bar.

Air Alliance Houston may be able to support you if you are interested in installing an air monitor in your community, school, or neighborhood.
