

RESOURCES FOR DISASTER PREPARATION

HHS Maternal-Child Health Emergency Planning Toolkit

designed to improve the capacity of health care, public health, and social services professionals to address maternal and child health in emergency preparedness, response, recovery, and mitigation activities

<https://aspr.hhs.gov/at-risk/Pages/mch-planning-toolkit.aspx>

Get Ready, an initiative of American Public Health Association, includes specific preparedness fact sheets for pregnant women and families with infants

to help Americans prepare themselves, their families and their communities for all public health hazards they may face, including disasters, flu or other emerging infectious diseases

<https://aphagetready.org/Resources/Fact-Sheets>

Shelter

Search for open shelters near you or near a hospital by texting SHELTER and your ZIP code to 43362

Creating Safe Family-Friendly Spaces in Emergency Shelters
